## Museum Gateway and Admissions Undergo Remodel

The National Corvette Museum will have a fresh, welcoming face by this April. A remodel of the admissions and 'Gateway' areas has begun with a goal of completion by the end of March.

During construction, a special walkway is available, routing guests safely through the construction areas. Additionally, the admissions/ticketing counter has been temporarily relocated onto the Boulevard.

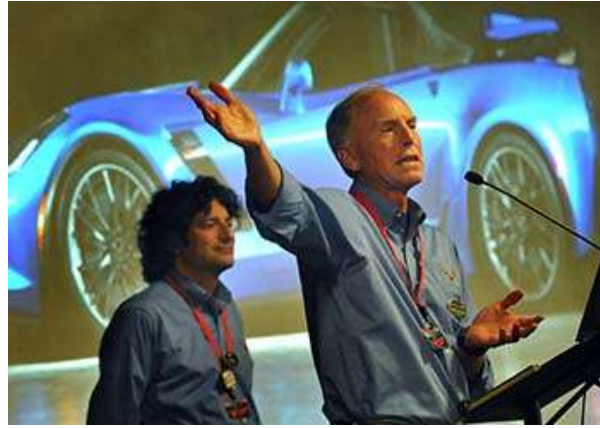

During the remodel, only two Corvettes were relocated from display. Access to the Chevrolet Theater for the Corvette History film is still available.
